## Disclaimer and signature

I certify that my answers are true and complete to the best of my knowledge. I understand that this scholarship will cover books up to $50, if funds are available. If the rental or purchase of the book is less than $50, this scholarship will only cover one book per scholarship. Only one scholarship application is accepted per semester.

If this application leads to an approved scholarship, I attest that I will be committed to obtain my college degree. I also agree to write a 250-word essay and submit with this application. I understand that my essay must outline my educational goal at college and my future career goals. (example: What do I plan to do with the degree) I also agree to give a 30 second video testimony for the use of Anointed Community Services' advertisement and promotions of its Women's Ignite Network scholarship program. Please email your video testimony to: womensignitenetwork@gmail.com.
